ENGAGEMENT LETTER

TAX YEAR(S)	
-------------	--

Thank you for choosing The Tax Team LLC to assist you with your income tax returns. This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. To ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your individual Federal and State income tax returns for the listed year(s). Your returns will be prepared without verification, solely from information provided by you, and will be prepared in accordance with the appropriate Federal and State income tax laws and regulations. Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on your behalf, the alternative you select.

In order to prepare an accurate return ample time is required after receiving all required information/forms. Our work does not include any procedures designed to discover false entries or other irregularities, should any exist. The law provides various penalties that may be imposed when taxpayers provide false information and/or underestimate their tax liability. If you receive any correspondence from the IRS or any State, you agree to contact us immediately and provide copies of any notices.

In signing this letter, you are stating that you have proof of all information provided to The Tax Team LLC, including mileage logs and receipts where required. You acknowledge that you have reported all income you received including barter, consumer-to-consumer activity, cash-based income, foreign income and assets and all other income whether received in-person, in-kind or electronically for the listed year(s). You also confirm that you have or will timely file any applicable required Forms 1099 and W-2 with the applicable government agency for business employees, contractors, and/or homeworkers. You also confirm that you have reported ANY AND ALL cryptocurrency and/or digital asset or blockchain activity. We want to remind you that you have the ultimate responsibility for your income tax returns and therefore, you should review them carefully before signing and filing the returns.

Our engagement will be complete upon the delivery of the completed tax return to you. You will be responsible to file the return(s) with the taxing authorities unless we are electronically filing the returns for you. If we are electronically filing your return(s) it is YOUR responsibility to timely return the signed authorization Form 8879 to us. We cannot file the return without it. If you are taking it home to be signed you are responsible for returning it to us before the due date of the return. In the event information is requested by either of the parties on a joint return, that information will be furnished without obtaining the additional consent of the other party. In addition, any document excluding the 8879 signed by any party on the return is considered signed and accepted by both parties. The 8879 and any State required eFile document MUST be signed by both parties.
